

Lockdown Extension Work

Grade Two May 2020 – Booklet 2

Name: _____

Mathematics and English Workbook

Dear Parents and Caregivers

The following work can be done in any book you might have at your disposal; it does not require homework books. They need to write it down from your electronic devices into any book and work from there, no need for you to print. But you do need to mark their work and help them with corrections if there is a need.

1. They need to sound out each word three times and read the words for example: a-te = ate, ca-ve= cave, ca-ne = cane , da-te= date cha-se=chase

2. They need to know the meaning of the word and use it in a sentence.

3. They use 5 words per day to write 5 sentences for four days. For example

I ate all my lunch during break.

It was dark inside the cave.

I like eating sugar cane.

4. the fifth day they spell all the words, they start with the first ten, if they got it wrong they need to study and do the spelling test again before they do the last ten words.

This is how they should do it: Write the date and underline

Heading and underline. Write 1 up to ten.

8 May 2020

Spelling test.
