1. Please ensure your child arrives at school on time as late arrival disrupts the learning process for your child and others in the class.
2. Ensure your child is fetched latest 30 minutes after dismissal time as the learners are not monitored thereafter.
3. In cases of emergency the school will SMS to advise of changes to start and end times.
4. Late arrival will result in demerits being applied. Constant late arrival will result in disciplinary action.
5. Extramural days for the term will be announced at the start of every term.
6. In inclement weather (rain), please be patient at dismissal time as we will ensure safe dismissal by staggering the release from class.
7. Learners arriving before 07.15 are not monitored, and are expected to wait quietly and safely outside school in the allocated line up areas.
